Sunday Olakunle Idowu, Ph.D.

PUBLICATIONS.

B. Assay technologies - reagent design, assay development and validation

C. Veterinary Pharmacy & ethnopharmacology (anthelmintic phytomedicine development) - collaborative research at the Chemistry/Biology Interface

D. **Book Chapters**

E. **Published Conference Abstracts**

**MANUSCRIPTS UNDER REVIEW / IN PREPARATION**

1. Computational antioxidant capacity simulation (CAOCS) assay of *Garcinia kola* seed extracts. *(Under review).*

2. Computational antioxidant capacity simulation (CAOCS) and the prospects of two-dimensional (2D) assay *(In Preparation).*

3. Enhanced throughput of a screening anthelmintic assay using adult *Haemonchus placei* motility *(In preparation).*
